

# Would you like the next Apple Tree Christian Childbirth Program Workshop to be in *your* area?

## *Become a Sponsor!*

**T**here are many benefits to becoming a sponsor, including saving on travel by having the Workshop near your own home, \$200 discount on Workshop/Certification or Affiliation Fee, and the satisfaction of encouraging God's design for birth.

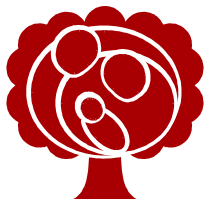

**H**owever, it's also a big responsibility. Research is required to prepare your proposal, and only a few proposals can be selected. If your location is chosen, you will be very busy helping the ATFM staff coordinate the event in advance and assisting staff and participants during the Workshop.

**R**eview these responsibilities to see if this sounds like a good option for you:

- Find and coordinate arrangements for suitable location, meals and lodging, snacks, transportation, and audio-visual needs.
- Answer participant questions before the Workshop about local arrangements.
- Be available for hands-on help and to run errands for the entire four-day ATCCE Workshop, including the afternoon and evening before and the morning after.

ATFM is currently seeking sponsors for a Workshop in the eastern half of the U.S. between June and September 2007 and in another U.S. location for early 2008.

If you are interested in preparing a proposal, call to discuss sponsorship in more detail.
